## SEN Annual Reviews Update

Dear Parent/ Carers,

Any child, who has a Statement of Special Educational Needs, must be reviewed each year. This is known as an Annual Review. This Annual Review is to ensure that the needs of the child are still being met and to consider the appropriateness of the placement and the actual statement itself. These Annual Reviews are carried out in school.

SEN Annual Reviews will now be facilitated online through the EA Connect Portal. This will enable parents to complete their Parental Contribution Document online.

Parents will receive an email inviting them to attend the Annual Review meeting in school and a link to the EA Connect Portal where they can submit their contribution on how they feel their child has progressed over the past year.

Support is available for parents and carers submitting SEN Annual Reviews online through EA Connect.

The #GoONNI team is hosting drop-in digital assistance clinics on Monday 13 November. Please see attached link to a document detailing these clinics:
