## World Story Telling Day 20th March 2024

To celebrate World Story Telling Day we would love all our children to go home with a used book which is new to them! How special to have a new story to enjoy at zero cost in today's current climate!

We are asking that every child would bring in a book/books that they have finished with, for one of their classmates to enjoy.

On Wednesday 20th March the children will have an opportunity to browse through the books and take one home to keep.

We would ask that all the books that are sent in to school are in a good condition with all pages intact.

Please send used books to school with your child, who will give them to their class teacher on or before 20th March.

Thank you for your continued support, it is very much appreciated,

Coleen Connolly
