Dear Year 4 Parent/ Carer

We aim to have a very special Holy Communicant Procession from the Grotto in Townsend Street to our school on WEDNESDAY 3RD JUNE, the day before the Feast of Corpus Christi to complete our Sacrament Celebrations for our very special Year 4 Children. When we reach the school our pupils will then host a very special End of Year Assembly for their parents and carers. The assembly in school will be followed by little treats for our families as this is the very last celebration of the Sacraments for this year.

The procession is an age old event that used to always happen in our community many years ago. It was a wonderful way of making our little Holy Communicants feel so special and we felt it would be lovely for our little children and their families. We reinstated this age old procession two years ago and it has been so well supported indeed. We really appreciate the support of our parents for this event and indeed bringing our little children to mass regularly and supporting their faith development.

Children and their accompanying parent/ carer (maximum of two) should assemble at the Grotto at 9.30am on WEDNESDAY 3RD JUNE at 9.30am where staff will meet everyone. We will begin to process towards the school at 9.45am approx. Children should wear their **First Holy Communion outfits** for this very special occasion. We will process together as a Year 4 Community to our Junior School Assembly Hall.

Staff will be there at the Grotto to help organise the children and parents into the procession line.

Photos are attached from the past events just to give you a wee idea of what the procession looked like years ago! The only difference is that each child will walk this time with a parent/ carer in the line.

We hope that everyone can support and attend this very special event. As it is only the third time in many years that this has been held, please be patient with us!

If you have any queries at all, please do not hesitate to email Mrs Wilders at bwilders592@c2kni.net or ring the school on 02871 382272 or approach any of the Year 4 Teaching Staff.

We hope that the weather holds out for us but just incase bring an umbrella too!!

Kind Regards
