## Our Vision Statement

We the Governors and Staff of St. Catherine's Nursery and Primary School and believe the school to be

- An outstanding school which is wholly child centred, rooted in the Gospel values of Christ, where children are first at all times.
- A school of excellent practice where
- dedicated, talented staff collaborate to ensure high quality teaching and learning for all our pupils from Nursery to Year 7.
- A school with a family atmosphere where emphasis is placed on forging strong positive relationships between pupils, parents (who are the first educators), staff, governors, parish and community which will result in confident, happy young people who have high aspirations and high expectations, who have developed physically, intellectually, socially, emotionally, morally and spiritually, who are life long learners and who will have the skills and capabilities to be successful, confident and comfortable in an ever changing world.

United we believe in our  
ability to....

“Achieve Excellence  
Together”.
