Dear Parent/Guardian,

16/11/2020

**BREAKING NEWS!**

There **WILL** be a Nativity Show this year.

Both our children and ourselves are delighted to be back at school this year albeit a difficult one with a lot of uncertainty for some. Christmas wouldn't be Christmas without a Nativity play and we are busy rehearsing and learning songs to make it a very special performance. It is guaranteed to make you laugh and of course as any performance involving children, will make you shed a few tears as well!

There will be a slight difference. We couldn't do a Nativity play without our parent's involvement, so we will try to record the show, take lots of pictures of the children dressed in their costumes and put it on our school website, for you to watch as a family, with your child. It will be so special, I can just imagine all the wee happy, proud faces! We have included a costume list and each teacher in the Foundation stage will notify parents about the roles your children will play.

We want to stress that we don't expect you to buy costumes, just use what you have at home. We will make most of the head wear and 'borrow' daddies' shirts or tee-shirts and ties, only not the best ones! (We promise these will be returned). **Put any costumes into a bag with children's names clearly written.**

Christmas is a wonderful time of year, but this year will be so poignant. The Foundation Stage teachers want to thank you so much for your continued support. We wish you a Happy and Holy Christmas and we promise you a slightly different Nativity play to remember!

Many thanks,

Miss C. Hutton P1b
