# MOBILE PHONES

**NO  
PHONE  
ZONE**

For Child Protection and Safeguarding Reasons, our Mobile Phone Policy states that we cannot permit pupils/adults/ visitors to USE mobile phones on site. If adults visiting the site need to use their mobile phones they must do so outside the building but not in the presence of our children.

Pupils themselves should not have a mobile phone in school, but if a parent insists they need one for after school, they should sign a form to let the teacher know this, the pupil should hand in the mobile phone to the school office during the day and they can collect it again at hometime. The mobile phone will be stored safely and securely during the day. If a child is found to have a mobile phone in their possession during the day without handing it in, it will be confiscated and can only be returned to parents/ guardians.

Again we would appreciate your understanding and support in this matter.

***Our Mobile Phone Policy is available to read upon request.***

*God bless you all! Bridget Wilders, Principal*

# Christmas CRAFT FAIR THANKS

This was a fabulous event in our school which was so well supported by pupils, parents, families and friends.

Many thanks to our amazing PTFA who organised the event so brilliantly and were there in full force on the night to ensure that all went smoothly! Our school is in your debt.

Many thanks to the Staff of the school who assisted with the event in any way, teachers/ non teaching staff who prepared their classrooms for use by crafters, our building supervisors who got the building ready, cleaning staff, clerical staff and indeed Governors who also came out to show their support!

Thanks also to Mr Jarlath Mc Nulty who came along and represented Strabane Health Improvement Project and joined in to make our wee event such a strong community fun night! Thanks also to the councillors/ MLA's who showed their support, our local priests and all the crafters who had such beautiful crafts on sale.

Finally thanks to our own KS2 Pupils who came out to sing their Christmas Carols and to Miss Doherty and Miss Mc Elhinney for directing them on the night.

What a fabulous night of community spirit and civility.

God bless us all.

# Transport to / from School

We encourage our children to be responsible when travelling in buses, cars, taxis to/from school. They should wear their seatbelt at all times and always remain seated in the vehicle when it is moving so that the driver of the vehicle does not get distracted. Again many thanks for your support. Please refer to the safety advice attached.

# Pupils

## Responsibility

- Mobile Phones should only be used in an emergency and must not be used to photograph or record fellow passengers.
- If you have to cross the road after getting off the bus always allow the bus to move off before attempting to cross.
- Always walk on the pavement if there is one.
- If you are with younger children set them a good example.
- Do not let some one else persuade you to do something unsafe.
- Always be conscious of your personal safety especially when boarding and alighting vehicles.

# Parents

## Responsibility

Please remember that ultimately the safety of a pupil on any part of the journey to or from school not undertaken in a bus/taxi funded by the Authority, is the responsibility of the parent or guardian. Only by working with the Authority and its contracted transport providers can the highest possible level of safety be maintained for the whole journey.

- Make sure your child arrives at the pick up point in plenty of time so that they do not have to rush. Be punctual.
- Make sure your child knows what to do if the bus is late or does not arrive.
- Teach your child about road safety, how to act sensibly on and around buses and how to cross the road to and from the bus stop.
- Instruct your child to do as the driver says and not to misbehave. You may be held responsible for any vandalism to the bus/taxi caused by your child.
- A designated responsible adult should be at the drop off point to receive your child.
- Wait for your child on the side of the road where the bus sets them down on the return journey.
- Make sure your child can be seen by other road users. By wearing or carrying something bright or fluorescent your child is more easily seen in poor daylight conditions. When it is dark use reflective materials which can be seen up to three times as far away as non-reflective materials

**Always avoid having to call your child across the road to you**

# Stop the Bullies

Bullying can make young people feel lonely, unhappy and frightened. It happens at school, at home, on the streets and also when travelling to and from school.

## Stamp Out Bullying

School passes may be withdrawn from anyone involved in any form of anti social behaviour, including bullying, on a bus or in the bus station.

## What to do if you feel bullied

- Don't ignore it – it won't go away and may get worse
- Tell someone you trust - such as a teacher, parent or friend
- Remember - it's not your fault - no one deserves to be bullied
- Keep a record of any nasty texts or emails that you have been sent
- Try to stay away from the bullies
- Ask your friend to look out for you
- Don't retaliate - you could get into trouble or get hurt
- Contact your school and they will help with your concerns.

The Education and Libraries (NI) Order 1986 places a legal responsibility on the Education Authority to provide transport assistance for the purpose of facilitating the attendance of pupils living beyond specified maximum distances from school i.e. primary school pupils living more than 2 miles and post primary pupils living more than 3 miles from their nearest suitable school.

Statutory school transport assistance is provided by a variety of means including Translink, Authority Bus, Private Operators & Taxis, in compliance with relevant transport legislation and directions/guidelines issued from time to time by the Department of Education.

## On the Bus/Taxi

Pupils are required to adhere to Authority school transport policies by:

- remaining seated with the seat belt fastened (where fitted)
- behaving sensibly and safely at all times
- treating the driver and fellow passengers with respect by following reasonable instructions, avoiding confrontation or the use of abuse or inappropriate language or gestures
- not smoking (the Authority operates a NO SMOKING POLICY on all funded transport)
- not interfering with equipment in the vehicle e.g. fire extinguishers, emergency doors etc.
- storing bags and belongings safely
- not standing in the stairwell of the bus.

It should be noted that in cases of extreme or persistent misbehaviour, the Education Authority and Translink reserve the right to suspend free travel facilities. School transport arrangements will then become the responsibility of the parents.

It should also be noted that the Transport Provider may seek redress for criminal damage.

# URGENT BIG NEWS!!!!

## Parent /Teacher Meetings

Our Annual Parent Teacher Meetings will take place over the next two weeks in school. Teachers will be sending each parent an appointment date and time to invite you to come into school to see how your child is progressing in school to date. If you get an appointment please make every effort to attend or arrange an alternative appointment with the teacher. Each appointment time slot will be for 10 minutes approximately. These

meetings are very important and key to communication between home and school in order to provide the very best for each of our wee children. We thank you for your support in this matter.

## Health and Safety Notices

We respectfully request that parents/ visitors to our school always keep their pets e.g. dogs on a lead and do not release them on the grounds.

Whilst we adore our canine friends, sometimes our children (especially the younger children) can become quite frightened when they see animals wondering on the grounds without a lead.

We hope you can understand and support us in this matter!

## Sunflower Schools For Hope Programme

Many thanks to all the parents who came along to the launch of the Sunflower Programme last Friday in school. We are so excited about this amazing programme for our children and can only thank our parents for all their support!

# Be Safe Be Seen Campaign for Pupil Safety

In the run up to Christmas, we write to encourage you to take the opportunity to remind your child of Road Safety NI's message 'be bright, be seen' by drivers.

Please encourage your child to wear reflective clothing and high visibility items, especially during the dark mornings and evenings, when travelling between home, bus stops and school.

## KEEP UP TO DATE WITH ALL THE LATEST NEWS . . .

Every week the eldest child in the family will be given a weekly note to take home with them on a Monday. This note is designed to keep parents up to date with what is happening in the school! The weekly note is a great resource which is costly for the school to produce but we feel that it is worth it as some parents really rely on it!!

However if for some reason, you do not receive a copy of the weekly note, or you have lost it, we also upload it to the school's website each week so that you can always access it there!
