Conception,
Strabane

Dear Parents/ Carers of Year 4,

Due to the very serious and dramatic increase in Covid-19 infections in Lifford, Strabane and the Derry Area; I have taken a decision to limit the number of family members attending Holy Communions this Saturday 26th September to a **maximum** of **4** plus the Holy Communicant.

This decision is necessary to try to minimise the risk of the spread of the virus.

I hope that parents and families will fully understand and appreciate the extraordinary circumstances that we are now all facing.

Blessings,

Fr. Declan Boland P.P.
