The Online Portal will open for applications on 1st March 2021 until 16th March 2021. Further information on the process will be available from the EA Website from 2nd February.

As we get more information in school we will share this with you.

If your child has a statement of Special Educational Needs you will go to school in the usual way to complete a Transfer Review.

Post Primary Admissions
will take place online this year
The Online Portal will open on
1 March 2021 until 16 March
Regularly updated information and guidance
will be provided to parents by the EA and
schools over the coming months

For help and advice, parents/ guardians can contact our Admissions Helpdesk via
email: postprimaryadmissions@eani.org.uk

Parent Teacher Meetings

Due to the present restrictions we have not been able to host Parent / Teacher Meetings for the whole school in November (as we usually do). We will however review this and make arrangements in Term 2 in line with safety guidance. We have carried out valuable baseline assessments in Term 1 (Years 2-7) before Christmas to baseline our children's attainment post lockdown. We will keep in touch with you about the outcomes of these assessments in due course. It is to be noted that parents may email staff at any time to find out about the progress that your child is making at school and to ask any questions or raise any concerns that you might have. Many thanks in anticipation of your understanding in this matter.

The theme of Catholic Schools Week 2021: Communities of Faith and Resilience

This particular theme will be especially relevant given the pandemic experience that is effecting the entire country. The following will be the daily themes for CSW 2021:

- (1) Monday: Catholic Schools: Communities of Faith.**
- (2) Tuesday: Catholic Schools: Communities of Learning**
- (3) Wednesday: Catholic Schools: Communities of Love**
- (4) Thursday: Catholic Schools: Communities of Resilience**
- (5) Friday: Catholic Schools: Communities of Hope**

This year we think especially of our little pupils, parents, families and wider community as we try to progress through this pandemic. God bless you all.

We will update you regarding activities for Catholic Schools Week!

Accelerated Reader (Years 3-7) and MyOn Digital Reading Apps (Years 1-7)

As we face another lockdown, we remind pupils and parents that we have two very valuable resources available for you to make use of and enjoy online which will really help your reading skills and understanding.

MyOn is where our little pupils can log in to access actual reading books online.

Accelerated Reader is then where our little pupils can login and complete little quizzes about the books that they have read.

Each child has their own login details. If anyone is unsure of these you can email your child's teacher or Mrs Connolly (Language and Literacy Leader) cconnolly309@c2kni.net

Introducing Mathletics App (Nursery- Year 7)

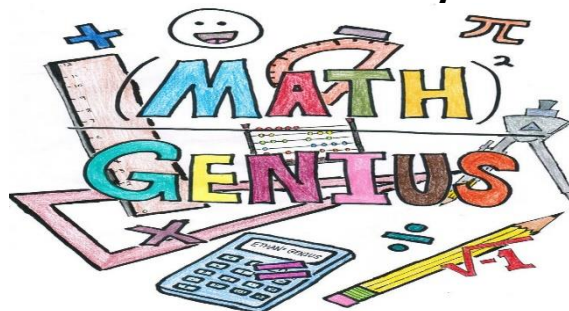

Mathletics provides a safe, encouraging maths learning environment that has the right level of challenge to help our little pupils grow, gain confidence in maths and achieve their best.

Most of all it provides a fun way of completing Maths at home.

We will provide you all with login details to use this app at home during this lockdown period!

We hope you have fun....

If you have any queries at all please email Miss J Doherty
jdoherty742@c2kni.net

Remote Learning Term 2

As you are aware, we are living in very strange times indeed in our community. COVID 19 infections have been on the rise in our locality and as a result we have been directed that all pupils should stay at home and access REMOTE HOME LEARNING provided by your child's class teacher.

Nursery Pupils:

We have arranged for Home Learning activities to be accessed via our school website in the Parent Home Learning Support Area www.stcatherinesps.co.uk (as our little Nursery Pupils do not yet have c2k usernames or passwords like the primary pupils do!)

Detailed Guidance will be emailed to all parents about this.

Years 1-7 Pupils:

We have arranged for school work to be made available for our children on line using a Microsoft Office APP called.....MICROSOFT TEAMS. This app is available to us all using our school computer system called C2K and therefore provides additional internet safety measures for our parents/ carers/ children going forward.

We will email you the following to help you access this work for your children at home ;

1. How to Download the Microsoft Teams App
2. Microsoft Teams Downloading...A Help Video
3. How to use Microsoft Teams for REMOTE LEARNING in TERM 2

If you follow this guidance carefully, you / your child will be able to access the relevant work that you can complete while in isolation. Please note that you will need your child's C2K Username and Password which have been shared with you already. If anyone has forgotten these just email staff and it can be reissued to you. It must be stressed again that if you have not supplied the school with your active email address, you and your child will miss out on this valuable home learning facility. If you wish to have your mail address placed on our system or have a new email address please send an email to Mrs Clare Kelly (Clerical Officer) ckelly452@c2kni.net detailing your name, your child's name and class teacher.

If you have any queries at all please do not hesitate to email your child's class teacher or Mrs. C. Deery (ICT Leader) cdeery308@c2kni.net

Or Miss J. Doherty (Vice Principal/ Home Learning Leader) jdoherty742@c2kni.net

Or Mrs B. Wilders (Principal) bwilders592@c2kni.net

Looking after your mental health whilst home-schooling

TRY NOT TO STRESS - You don't have to take on the teacher's role. Focus on activities that will help stimulate the brain but also enable you and your kids to have fun in the process like reading, puzzles and arts and crafts.

ESTABLISH A ROUTINE - Studies show young people work better when they are in a routine. Why not create a simple timetable for the week? Take regular breaks and make time for exercise even from the comfort of your living room.

EAT A BALANCED DIET - This is essential for healthy brain function so try to include a variety of healthy foods in your family's diet. Get the kids involved by making a new recipe or baking some healthy treats!

GET CREATIVE - This is a great opportunity for you and your little ones to get creative. Create a poster about your favourite book, write a poem or use those extra loo roll tubes to make an art masterpiece!!

TAKE TIME FOR YOU! - Take time to look after yourself. Lead by example by eating healthily, taking part in physical exercise and relax by doing something that makes you happy.

AWARE
OVERCOMING DEPRESSION,
CHANGING LIVES.

Starting Nursery or Primary School in September 2021?

Do you have or do you know anyone who has a little child who is ready to start Nursery or Year 1 in September 2021 and would very much like to join our family here at St. Catherine's?

Normally we would have Open Afternoons in November/ December but due to the present COVID 19 Restrictions we have to make slight adjustments.

If anyone would like to have a tour of the school (either Nursery or Primary) and a talk with the Principal about the arrangements for starting school in September 2021, we will arrange a SOCIALLY DISTANCED APPOINTMENT and TOUR for you!! To arrange this you should just drop a little email to Mrs B. Wilders (Principal) at her email address bwilders592@c2kni.net and this can be arranged asap. A School Prospectus will also be emailed to all parents of our school currently to let you know more about our little school (so spread the word!!) or alternatively can be posted upon request if you email the Principal at the email address above or ring the school office on 02871 382614.

We have a little Nursery Video and Year 1 Video which is on our website which you can watch to learn a little more about our Nursery and Primary School. See links below.

See our next page for Guidance on how to apply for a place in our little school.

ONLINE DIGITAL Admission Process

The ONLINE link is below www.eani.org.uk (Click on admissions)

We appreciate that this is new to some parents and some parents might find this process a little unnerving. Some parents may apply online with ease, however for any that would like a little extra support and guidance, we have arranged for little “Drop in Sessions” in school so that parents can come in and apply for a place for their child with staff there ready to help and guide in the process.

The times that staff will be available to help are in the table below however you must email Mrs Clare Kelly (Admissions Officer) to make an appointment
