Happy New Year 2022!

This time last year we were in lockdown. Thank goodness, although Covid is still here with the prevalence of the Omicron variant, our school remains open and hopefully this will remain the case!

We wish all our little pupils, families, and friends a very happy, healthy, peaceful and prosperous New Year. Thank you so much for your support, patience and understanding to date, we feel truly blessed to be working with you all. God bless.

Starting Nursery or Primary School in September 2022?

Do you have or do you know anyone who has a little child who is ready to start Nursery or Year 1 in September 2022 and would very much like to join our family here at St. Catherine's?

Normally we would have Open Afternoons in November/ December but due to the present COVID 19 Restrictions we have to make slight adjustments.

If anyone would like to have a tour of the school (either Nursery or Primary) and a talk with the Principal about the arrangements for starting school in September 2022, we will arrange a SOCIALLY DISTANCED APPOINTMENT and TOUR for you!! To arrange this you should just drop a little email to Mrs B. Wilders (Principal) at her email address bwilders592@c2kni.net and this can be arranged asap. A School Prospectus will also be emailed to all parents of our school currently to let you know more about our little school (so spread the word!!) or alternatively can be posted upon request if you email the Principal at the email address above or ring the school office on 02871 382614.

We have a little Nursery Video and Year 1 Video which is on our website which you can watch to learn a little more about our Nursery and Primary School. See links below.

The ONLINE link is below www.eani.org.uk (Click on admissions)

We appreciate that this is new to some parents and some parents might find this process a little unnerving. Some parents may apply online with ease, however for any that would like a little extra support and guidance, we have arranged for little “Drop in Sessions” in school so that parents can come in and apply for a place for their child with staff there ready to help and guide in the process however due to ongoing COVID RESTRICTIONS places must be booked.

The times that staff will be available to help are in the table below.

It should be noted that even though Parents make their applications for places ONLINE, they must also bring a paper copy of their PROOF OF ADDRESS and their CHILD's BIRTH CERTIFICATE to their first preference school by 12 Noon on Friday 4th FEBRUARY 2022 at the latest.

What should I do now?

- ▶ Parents need to set up an email account if you do not already have one
- ▶ Check out the Education Authority (EA) website regarding Guidance on applications.....
www.eani.org.uk/digitaladmissions
- ▶ Plan for how to complete the application ...perhaps plan to attend a drop in session in school. You can book today by emailing Mrs B Wilders (Principal bwilders592@c2kni.net or ring the school to get booked in on 02871 382614)

It should be noted that even though Parents make their applications for places ONLINE, they must also bring

Prayer of the Month for January

New Year's Prayer

We remember
For all that has been
We give thanks.

We look forward
For all that will be
We say yes.

All time is God's time.
We let go of the past and
We welcome what is to come.

And all the time we pray in the name of Jesus, who
is the same yesterday, today and forever. Amen

PATHS Quote of the Month

January

We are delighted that our school is a PATHS Model School and that PATHS is taught in all classes from Nursery right through to Primary 7. The PATHS programme involves lots of fun activities dealing with important issues such as Feelings, Behaviours, Solving Problems, Making Friends and Self-Esteem. It links directly with our Personal Development and Mutual Understanding curriculum and aims to help children develop the fundamental skills needed for life. From time to time your child will have fun home activities to complete relating to the programme. Get involved! Ask your child in the coming weeks about our fantastic PATHS programme and help prepare them with the essential skills they need for their life ahead. There will be an inspirational PATHS quote each month in our newsletter highlighting key PATHS ideas.

Check out January's quote...

A good friend knows how to take turns, to encourage, to give compliments, to share and to allow their friends to have other friends. Be a good friend today and your friendships will grow.

Attention Year 7 Parents:

Year 7 Post Primary Applications

If you are the parent of a pupil in Year 7, you will be required to make an application for their new Post Primary School using an ONLINE system this year (just like the one that the parents of Nursery and Year 1 Pupils use). The Online Portal will open for applications on Tuesday 1st February 2022 at 12 Noon until Wednesday 23rd February. Further information on the process will be available from the EA Website in due course.

As we get more information in school we will share this with you.

If your child has a statement of Special Educational Needs you will go to school in the usual way to complete a Transfer Review and you do not have to apply online.

If any parent would like to meet with Principal / Year 7 Staff ahead of the Online admissions process please email Principal Mrs B Wilders at bwilders592@c2kni.net and an appointment can be arranged.

Breakfast Club

Breakfast Club is back open again across our two sites. Breakfast Club is for our little pupils only (due to ongoing safety restrictions).

Breakfast Club opens at 8.15am and closes sharply at 9am. If any child starts class at 8.50am they should leave breakfast club in time for class!

BIG FRIDAY Breakfast has NOT returned to the Senior School Site yet. We will keep you updated if this changes!

Family Club (For Year 1 and Year 2 Pupils who have older brothers/sisters in school).

Regrettably Family Club opening has been postponed for a few weeks due to high levels of infection and hence subsequent staff shortages. We apologise for any inconvenience caused. We will review this again very shortly and will open the club as soon as possible. As soon as we can open the club we will let you know.

Keeping in Touch!

Communication has never been more important than it is at this very time. We are only sending out essential paper communications to you that may require your signature; all other communications are being sent in the following key ways;

1. Text messages
2. Text messages with links to letters
3. Emails

Occasionally we will reinforce messages via facebook but important messages will be sent in one of the three main ways above.

To that end, please ensure that we have your correct mobile number and email address. If you wish to change these please let Mrs Kelly (Clerical Officer) know by emailing her at ckelly452@c2kni.net . If you do not update us you may not receive VITAL INFORMATION going forward.

You can also email your child's teacher or a Senior Member of staff and we will endeavour to respond to you as soon as possible during the working day. Email addresses have already been sent to you in the Welcome Pack and other text letter link messages.

We also appreciate it when you update us if your child has symptoms of COVID 19 or if your child or a close contact tests positive. It continues to be very important that we know this in order to minimise infection risk.

Thank you all so much for your support to
date!

Latest News:

Our hard working P.T.F.A. have been beavering away trying to find ways to raise much needed money for new CLEVERTOUCH INTERACTIVE WHITEBOARDS for our little children's classes. These are state of the art technology...only the best for our little children! We have interactive whiteboards in all classes but some of these now need updated! They cost £3400 each approximately. Now there's a challenge!!

So far we have raised £485 from our Hallowe'en Cinema Activity in school and then we raised a massive £6888 from our Grand Christmas Draw. We are totally delighted with this and have already ordered TWO NEW WHITEBOARDS. Thank you so much to pupils, families and friends who supported this initiative.

Thanks also to local businesses for very kindly donating gifts both for our Christmas Draw and also for prizes for Christmas Nativity Raffles and other upcoming fundraising events in our school. We have made a little film to thank our sponsors for their generosity in these very challenging times.

If anyone would like to join our P.T.F.A. to give a little time to helping raise much needed funds for our little children in school, you are more than welcome....always happy to have more in the team!

Keep an eye out for future upcoming fundraising events!!

We are hosting our AGM (Annual General Meeting) for our PTFA on WEDNESDAY 19th January at 6.30pm. If anyone would like to attend please email Mrs Wilders (Principal) on bwilders592@c2kni.net so that we have an idea of numbers and hence ensure safety.

14th Year of Catholic Schools Week 2022

Monday 24th January - Friday 28th January

The theme for Catholic Schools Week this year is

Catholic Schools : Life to the Full

We are reminded of the importance of our Catholic/ Christian Schools.

As we adapt to the many challenges and changes that the COVID-19 pandemic has caused, we are given the opportunity to reflect on the things that give our lives meaning. For some, it is family, friends, community sports or hobbies. For Catholics, it is God's love and wish for us to know and love him that gives life ultimate meaning. Jesus Christ is the revelation of this love, realised through his life, death and resurrection. In response to this, we reflect upon how Catholic schools are communities where we live life to the full. Every Catholic school fosters the holistic development of its students, promotes their wellbeing and encourages them to learn and nurture their talent and skills. Each child has the potential to change the world for the better, making it a kinder, more inclusive and more welcoming place. This week, we celebrate the gifts and talents we have in following Jesus' teaching. This year, we celebrate how we are called to be communities of faith and resilience, through our thoughts, words and actions. In doing so, we follow the words of Jesus in John's Gospel: 'I have come that you may have life, and have it to the full.'

There is a different topic for each day of Catholic Schools Week...

Monday : Living Life to the full with God.

Tuesday: Living Life to the full together

Wednesday: Celebrating Being Together again

Thursday : Living Life in Wonder and Awe

Friday: Living Life and facing the future

Children will complete activities in school based on this important theme during this week

Talk to your children at home about the importance of our of school and the very special family atmosphere we have in our wee school, which makes it so special.

Catholic Schools Week 2022

Catholic Schools: Living Life to the Full

THOUGHTS FOR THE DAY

This photo by Russell Watkins/UK Department for International Development is licensed under CC BY-SA

MONDAY

Today is the first day of Catholic Schools Week 2022. Today's theme is about living life to the full with God. Each of us is unique. We are born with our own talents and gifts. God wants us to discover and develop our talents and use them to make the world a better and kinder place. We are made to love and receive love, and today gives us the chance to celebrate this.

Lord, help us to live like you taught us to.

Together we pray the prayer that Jesus taught us: *Our Father ...*

TUESDAY

Today we are asked to think about how we live life to the full together in our Catholic school. We learn many things in school. We learn about things like maths, Gaelge, science, music and art. We learn spellings and tables. But we also learn how to be a good friend and how to be helpful and kind. Jesus' Golden Rule is to treat others as you would like to be treated. Today we learn to be the best we can be, being kind to ourselves, each other and the world around us.

Lord, help us to live like you taught us to.

Together we pray the prayer that Jesus taught us: *Our Father ...*

WEDNESDAY

Today we are asked to think about our school as a community of love. We especially think of our Grandparents. They can be very important teachers who show us how to love, how to be caring and how to share. They can teach us about the past and about the importance of working hard and doing our best. They can teach us through love. In our Catholic school, we try to show that love each day in kind thoughts, kind words and kind actions. We thank God for our grandparents and celebrate their contribution to our lives.

Lord, help us to live like you taught us to.

Together we pray the prayer that Jesus taught us: *Our Father ...*

THURSDAY

Today we are asked to think about living our lives in wonder and awe. The world around us is a precious place. Creation shows us beauty in nature and moments that take our breath away. We are encouraged to see God's presence in our lives and at work in the world around us. We are called to remember that we are responsible for keeping our environment a safe and beautiful place to live in. In our Catholic school, we use our gifts and talents to make the world a better place.

Lord, help us to live like you taught us to.

Together we pray the prayer that Jesus taught us: *Our Father ...*

FRIDAY

As Catholic Schools Week comes to a close, we are asked to think about how we live life to the full and face the future. The COVID-19 pandemic brought so many changes and challenges to our lives. As we reflect on this, we look forward with hope to the future. While we have come through these dark days, through Jesus' death and resurrection we are reminded that even the darkest days give way to the dawn. Together, as a community that is kind and cares for each other, we look to the future with the hope and the joy of the resurrection.

Lord, help us to live like you taught us to.

Together we pray the prayer that Jesus taught us: *Our Father ...*

When the helpline number is rung; please leave the name, address and telephone number in a message seeking help and the type of assistance needed. (For example food vouchers, oil vouchers etc).

COVID 19 Top Tip Reminders for Parents/ Carers:

1. Every possible precaution will continue to be taken to keep our little children and their staff safe in school.
2. Temperatures of children will no longer be taken upon arrival to school but if a child seems unwell or appears to have a high temperature, staff will take the temperature and if a child's temperature is 38 degrees centigrade or above, parents will be called to take child home from school until they feel better.
3. Children will be encouraged to handwash regularly. Children do not have to use sanitiser but it is available if they wish too. Children may also bring their own sanitiser.
4. Children will be organised in Class Bubble groups which will not mix with other Bubble Groups so as to control any spread of infection. In the canteen there will only ever be two bubble groups at any given time and each class will be seated at a distance from each other so as to allow safe social distancing
5. There will be no gatherings of pupils/ staff for morning prayers, assemblies or canteen lunchtimes. Teaching and learning will begin immediately upon entry to class. There will be no breakfast club/ family clubs for the foreseeable future. We will let you know if this changes. After school clubs for bubble class groups will begin in October.
6. Children may bring their school bags.
7. Reading Books, spellings and tables/ number facts and written homework have all now begun. Parent/ pupil surveys indicated that homework issued at the start of the week and returned on a Friday was a preferred method of working as it gave our little children and their families greater freedom during the week to complete it, so we will continue with this idea this year.
10. Communication between home and school has never been more important than it is now. If your child is sick or has COVID 19 Symptoms or if someone in the family has symptoms or has tested positive....**PLEASE INFORM THE SCHOOL IMMEDIATELY** and keep your child at home for the correct isolation period as guided by Medical Staff. In order to control the spread of COVID 19 it is crucial that the school know what is happening. **If your child has Covid Symptoms do not send them to school. Keep them at home and seek to get a PCR COVID TEST. Note that there is a difference between a PCR Test and a Lateral Flow Test . A Lateral Flow Test is only an INDICATOR of possible Covid 19 and if a lateral flow test is positive we are asked to then go to carry out a PCR test. The Public Health Agency only deals with PCR Test results. Please keep the school informed at all times as we can record a child's absence with the correct code when we know what is happening. It is to be noted that all advice that school give to parents has been directed by the Department of Education and The Public Health Agency. It is NOT singularly the policy of the school. School must follow directives from the Public Health Agency regarding positive cases of Covid 19. Your understanding, patience and support is greatly appreciated regarding this.**

11. Every effort is being made to ensure safety in school. Parents/ carers have a responsibility for their own safety outside of the school gates. We encourage you to wear face coverings if you can and adhere to Social Distancing measures to protect yourselves and your children.

12. You can communicate with your child's teacher, Vice Principal or Principal by email and we will endeavor to respond to these within the working day. You can also ring the school and seek to make a socially distanced appointment. Parent meetings can no longer be handled by just "popping in" to school. All meetings must be by appointment only.

13. All visitors to school will have a temperature check upon arrival and will be asked to wear a face covering while in school.

14. Contact details for staff have been included in the start of year letter sent to you but are also included again in this newsletter for your information.

15. This continues to be a time of great change and adjustment for us all! We understand and appreciate this but if we work together and communicate regularly, we will get there! We need your support, patience and understanding. If you are unsure of something or have important questions to ask about any school arrangements or any other queries, please approach us by phoning or email in order to gain clear answers. (Queries will also be addressed by **PRIVATE MESSAGE** to the School Facebook Page as soon as possible). We will respond to you and will be only too happy to clarify.

Coronavirus Advice

Super Safe Superheroes

- People are talking about Coronavirus because it is a new type of flu.

- Just like with other colds and flu, it is important to look after ourselves and keep healthy.

- Children and adults are very good at fighting flu

- Just like all colds and flus, it can be harder for older people or people with illnesses to stay healthy from the flu

I can stay healthy by:

Washing my hands in soap:

- ✓ After preparing food
- ✓ After sneezing or blowing your nose
- ✓ Before eating
- ✓ After using the bathroom
- ✓ After playtime

I can stay healthy by:

- Not touching my face
- Not biting by nails
- Not touching outside door handles and railings

I can keep others healthy by:

- ✓ Coughing and sneezing into my elbow
- ✓ Putting used tissues in the bin
- ✓ Staying at home if I feel sick

- Just like all colds and flu it will go away, we have to be patient and safe until it goes away.
- I do not need to worry as adults will look after me
- If I am unsure about anything I can talk to my parents and teachers.
