A Trip to see Dick Whittington and his cat at Lifford/Strabane Cineplex for our littlest learners at Christmas!!

CBeebies is once again taking to the stage for Christmas 2022, with a unique adaptation of Dick Whittington and his Cat. Recorded in front of a live audience at Eastbourne's Congress Theatre, the show will be bursting with catchy songs, festive fun, and a host of CBeebies stars, making it a theatrical treat for the whole family.

The audience will join our heroes as they travel to London for the Lord Mayor's Christmas parade, only to discover a trio of cheeky rats are intent on ruining everyone's fun. Can Dick and his cat save the parade with the help of all their CBeebies Friends?

Show will take place on : WEDNESDAY 14th December (Staff will take our little children on buses provided) all FREE OF CHARGE to EVERY CHILD ...thanks to all our fundraising efforts!

A note will be sent out shortly to each class for Parents to sign to give their consent for their child to go to the panto shown in the Lifford Cinema for our Nursery Pupils this year this year.

PATHS Quote of the Month November

Refuse to fight! People fight
with words as well as with their

Anti Bullying Week

(Week commencing Monday 14th November)

This year's Theme : Reach Out

Bullying affects millions of lives and can leave us feeling hopeless. But it doesn't have to be this way. If we challenge it, we can change it. And it starts by reaching out. Whether it's in school, at home, in the community or online, let's reach out and show each other the support we need. Reach out to someone you trust if you need to talk. Reach out to someone you know is being bullied. Reach out and consider a new approach. And it doesn't stop with young people. From teachers to parents and influencers to politicians, we all have a responsibility to help each other reach out. Together, let's be the change we want to see. Reflect on our own behaviour, set positive examples and create kinder communities. It takes courage, but it can change lives. So, this Anti-Bullying Week, let's come together and reach out to stop bullying.

All children will complete various activities in school linked to this theme for Anti Bullying week. We hope that our little children enjoy this work and gain something important from it.

FILL THEM WITH

Action Cancer Red Day

Year 4 and Year 7 are participating in Action Cancer workshops this week. These workshops promote the importance of physical activity, healthy eating and healthy lifestyles. These workshops are facilitated by the charity, Action Cancer for free and we are very lucky to avail of these services. To give a little back to Action Cancer and in appreciation of their services, Year 4 and Year 7 will be having a Red Day on Friday 11th November. This will give the children an opportunity to wear a red piece of clothing or have red accessories on to school for a small fee of £1. This small donation will help such an amazing charity to fund health check-up services and educational workshops in our local community and surrounding areas.

Many thanks,

Mrs S.O'Kane

(Health and Safety Leader)

Book Week Thanks!

We had a fabulous Book Week from Monday 10th October to Friday 14th October in St Catherine's!

Book Character Day (as always was also a brilliant experience shared by all our little children in school. We saw many Nursery Rhyme, Fairytale and Novel Characters in school.

Heartfelt thanks to our parents for supporting Book Week in School. Our little children get so much out of it as it promotes an awareness of Literacy, Reading and Books and helps encourage good reading habits and an overall love of learning! Parents, as always, support this by preparing children so well for Book Character Day and also by allowing children to purchase a story/ novel / non fiction book from the Book Fair. This year our Book Fair totalled £ 2348.27 of which we are allowed a percentage commission of this to buy more books for our little children....so thank you so much!

Thanks also to all staff for facilitating Book Week and ensuring that the teaching and learning is centred around this very important theme. We had a focus on book/ nursery rhyme/ fairytale characters; their costumes, speeches about them, art work depicting them, dramatizing them, reading activities and much more!

Special thanks also to Mrs Connolly (Language and Literacy Leader) for organising all events in school providing an amazing literary experience for our little pupils.

Encouraging School Attendance!

We are delighted that we have no further challenges to our little children attending face to face teaching and learning in school like we suffered during Covid. To this end, we ask for parents support by encouraging school attendance every day. We understand that from time to time a child may be ill and if this happens please email the teacher or ring the school so that the correct absence code can be recorded for your child to explain the absence. Our school policy aims for at least 90% school attendance for every child. Help us to achieve this. To this end we will be giving out termly BREAKFAST CLUB VOUCHERS for any child who achieves 90% and more attendance. (Previously we gave for 100% but in order to support and encourage our children trying so hard we will give these vouchers now for any child who achieves between 90-100%). Thank you for your continued support!

Introducing Debutots!

We are simply delighted to share that we are introducing a new and exciting programme within our school called "Debutots". This programme is designed to offer interactive storytelling and dramatic play sessions with our children. The classes will help develop children's language skills and also promote confidence and ability. Please see attached information letter from Debutots.

We are offering this programme to all our little learners in Nursery, Year 1 and in our Learning Centre.

Lessons will be carried out by facilitators in the classrooms with our staff during the school day and will begin just after the Hallowe'en Break. See timetable below.

Mondays : Nursery Room 1 and Nursery Room 2 Pupils

Fridays : Year 1A Pupils, Year 1 B Pupils and Learning Centre Pupils

The programme will continue until Easter.

Meet the PTFA Committee of our School. Heartfelt thanks to all parents for contributing in any way to fundraising for our school to get extra resources for each and every child in order to further their education but special thanks to our committee members who work tirelessly for every child in our school.

Join our PTFA....we need YOUR HELP!

Please read below a testimony from one of our members.....

Before becoming a PTFA member, I will be the first to admit, I didn't realise the work that goes on behind the scenes to throw a school disco, to organise a visit from the Easter Bunny or to make sure Santa squeezes a journey to St Catherine's into his busy schedule in time for Christmas. I used to think a lot of it involved fundraising, and of course it does involve that but there is so much more to it. The meetings help connect you with other parents and with the school, you get to put your ideas forward and have your voice be heard. The part that has surprised me most is how rewarding it is, to see your child's face light up because you are volunteering in their school. The PTFA is always open to recruiting new members. The more the merrier so why not come along to the next PTFA meeting. (Maria Mc Grath)

MESSAGE FROM PTFA RE Grand Christmas Draw 2022

Dear Parent Business/Community Provider,

We are holding a Christmas Draw again this year at St. Catherine's Nursery and Primary School. The purpose of this draw is to raise funds for the very worthy cause of our own children. They attend a Christmas Panto each year and this year instead of parents who are struggling so hard with austerity, it was thought that any money raised could allow every child in the school to go to the Christmas Panto for FREE.

Therefore we are writing to you to invite sponsorship from your organisation for this event. This sponsorship can take any form at all as any contribution that you can make to us will be greatly appreciated indeed. We would be grateful if you are giving a sponsorship donation, if that could be given/ collected no later than

Friday 18th November so that we can organise advertising and the draw itself.

We realise that these are tough economic times but times when we are all challenged to continue to support and stand with each other in our community as much as possible.

We will give thanks by way of advertisement for any organisation who can give us any donation at all. This will be clearly advertised at the school and on school communications.

We would like to take this opportunity to thank you in advance for your consideration and support and to wish you well in your local business/ community organisation. If we can ever be of any support or assistance to you in any way at all, please do not hesitate to contact us.

Sincerely Yours in Community Spirit,

St. Catherine's Primary and Nursery School P.T.F.A.
